WHY WON'T YOU FLOWER?

... but it won't flower.

I've never grown such a strange plant before.

I make sure that my plant has enough light.

But still it doesn't flower!

I even try to teach my plant to flower.

But it seems not to understand.

‘How lovely it is!’ rejoiced the bear, on discovering a strange plant in his garden. Every day he watered it and shielded it from the sun with a parasol, and he never forgot to say goodnight to it before bed-time. But the plant didn’t react. ‘Why won’t you flower?’ brooded the little gardener. But little did he know what was going on underground!
