We're Only Human

We're Only Human

we sleep

we eat

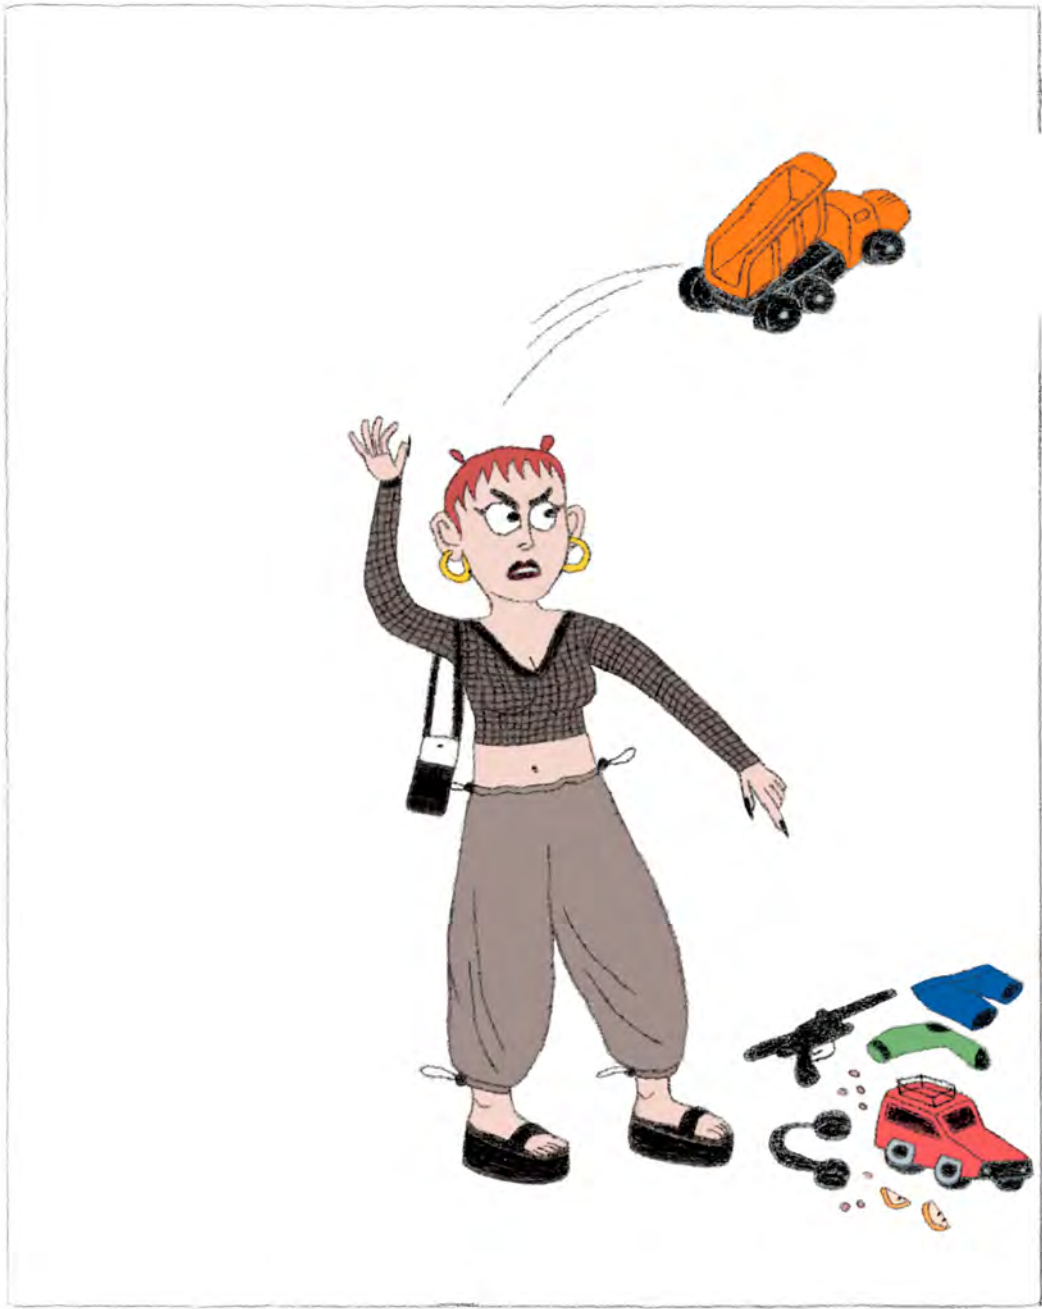

... and still we wait

we remember

we hide ourselves

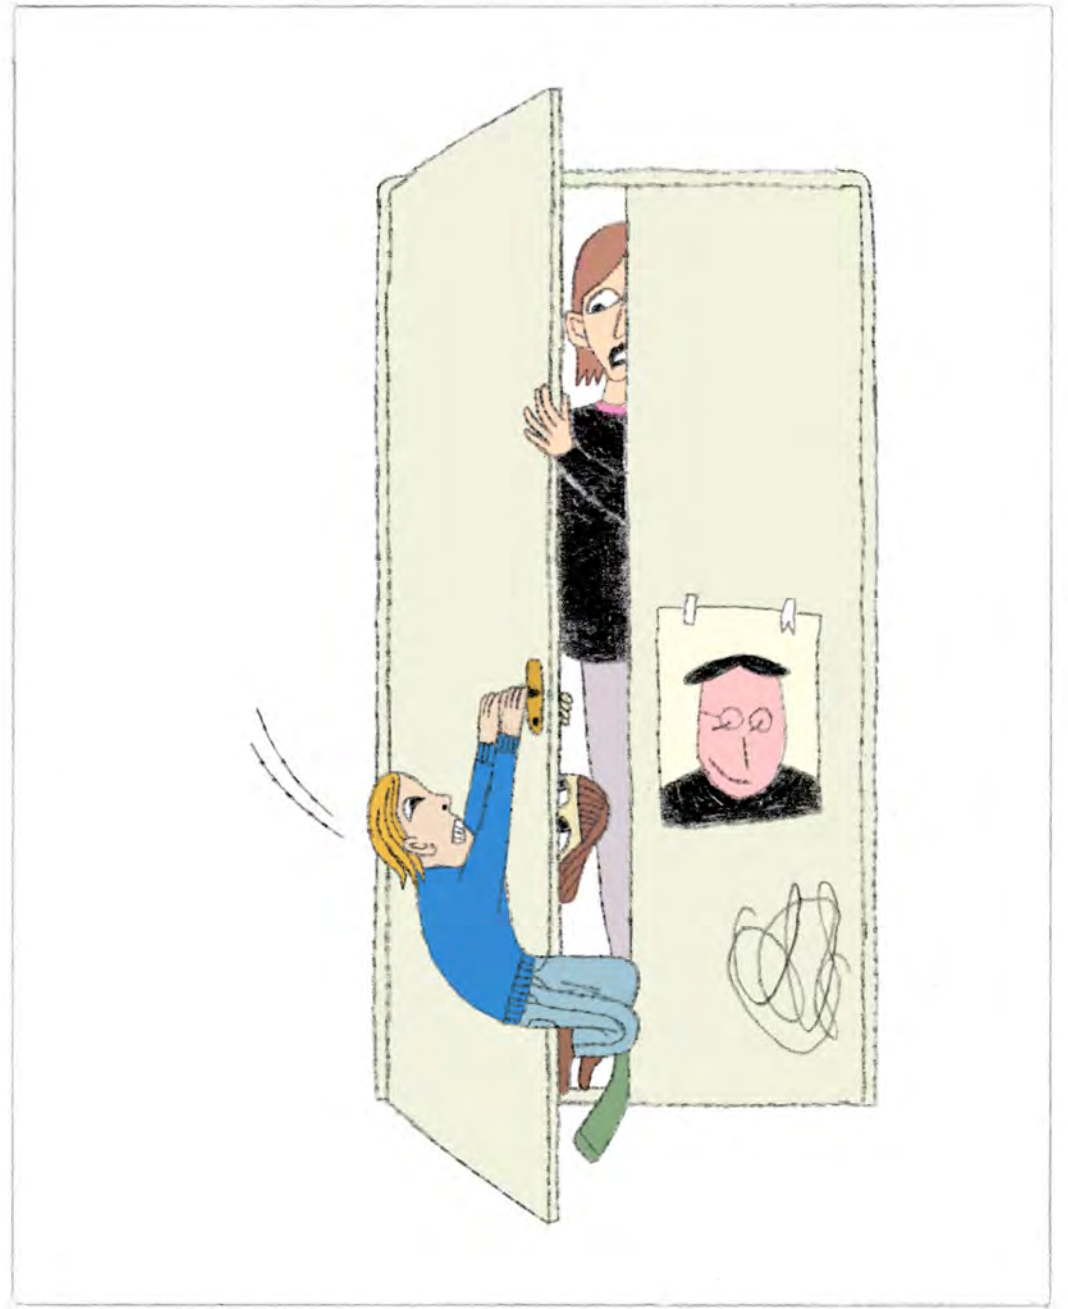

we get angry

we break

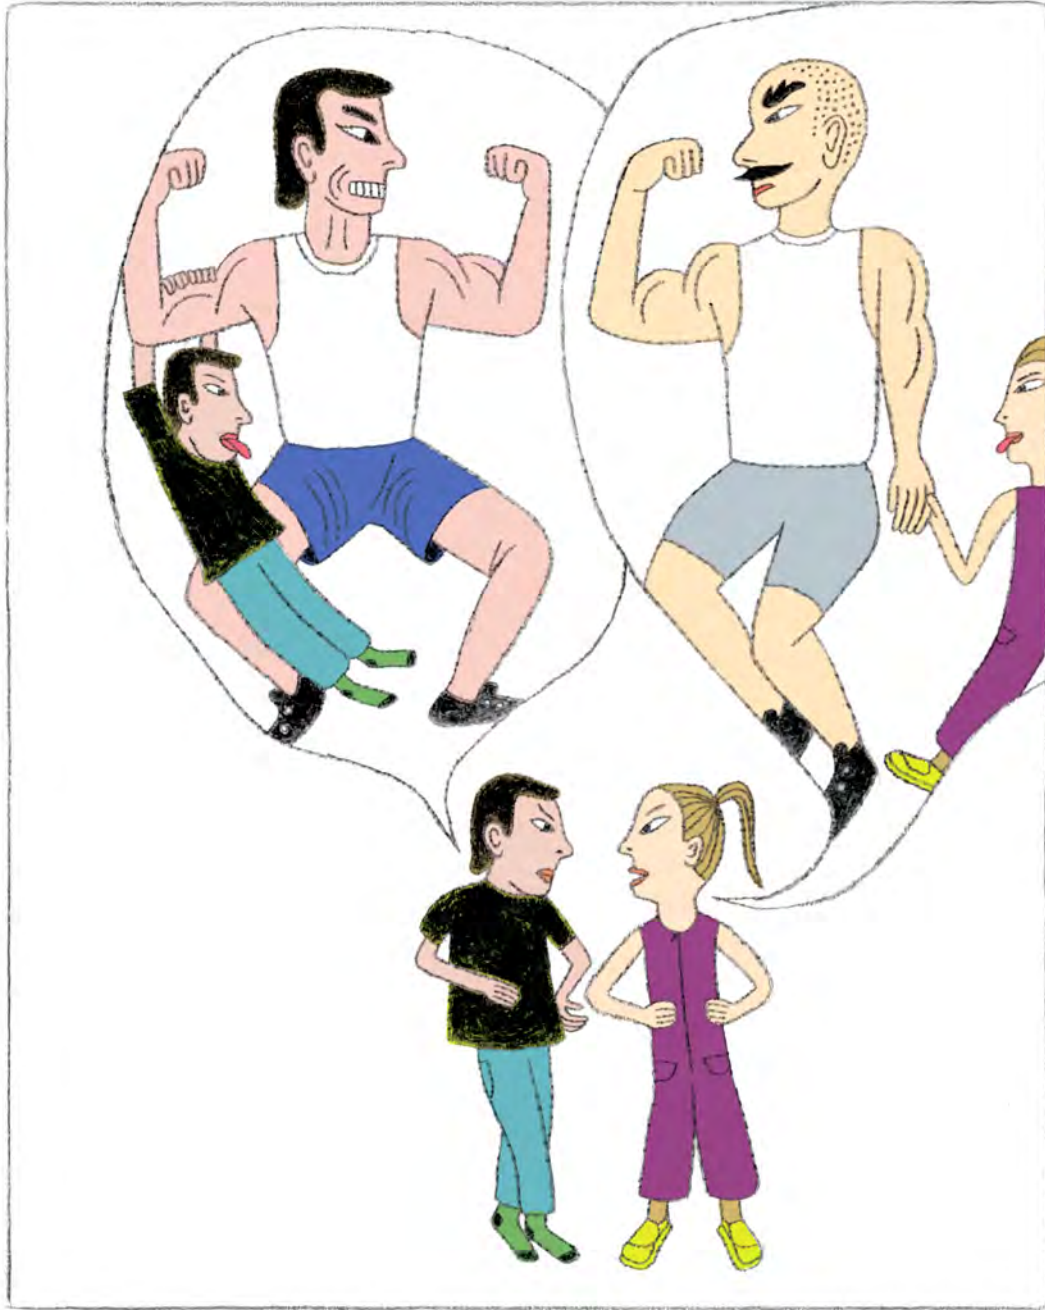

we open

Hi!

Welcome to our rather unconventional dictionary. It is all about us, from beginning to end. About me, you, your parents, your friends, all people you know, and all people you don't; people who laugh, cry, eat, sleep, get cross, enjoy fooling around, and sometimes forget.

Sound familiar? Of course it does: you, too, laugh, cry, get cross, fool around, and forget. All this is human, which is as it should be. This book is about us, what we are, what we do, and why we do it.

You will have great fun with our dictionary, as well as learning a few things. Most importantly, you will realize a lot about people. As this is a dictionary, you can dip into it at any point. You can flip backwards and forwards, open at a random page, even start at the end and finish at the beginning!

It connects, builds on and complements every-day, deeply familiar situations, always with people at the centre, always in an easy-to-understand, gentle, amusing way. This book is addictive. Seriously!
