VOCABULARY

Temporary Tattoo Application Guide

1.

Choose and cut out the tattoo you want.

2.

Peel off the clear layer and place the tattoo on clean, dry skin.

3.

Press a wet sponge or paper towel onto the back of the tattoo, ensuring it's fully damp.

4.

After about 30 seconds, gently slide off the backing paper to reveal your new tattoo!

5.

Place the tattoo under a bright light for a few seconds before wearing it in the dark for the perfect glowing effect.

Dermatologically tested

Certified safe with dermatological testing, toxicological safety assessment, and full compliance with EU (Regulation EC No 1223/2009, EN 71-3) and U.S. standards. The tattoos can be easily removed using an oily cream. They are not suitable for sensitive skin.

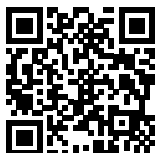

This product complies with EN 71 Parts 1-3 and ASTM F963-23 safety standards, ensuring the highest level of safety and quality for children.
